

Press Release

Dumas Police Department

PO Box 438 • 124 E. 7th Street • Dumas, TX 79029 • (806) 935-3998

In an effort to improve services to citizens, the Dumas Police Department has implemented an on-line service for obtaining copies of traffic accident reports. This service will allow the public, and their insurance companies, the flexibility of receiving reports on-line and will eliminate the need to travel to the Police Department to obtain an accident report.

To search for an accident report, you must have the report number OR date of accident AND last name of the driver. The report is then immediately displayed and available for printing. The cost of the on-line service is \$9.00 per report. Citizens will still have the option of coming to the Police Department to obtain a report for \$5.00. Payments online can be made by major credit or debit card. Only reports for accidents that have occurred after October 1, 2010 are available on-line. Should a person require a report dated prior to October 1, 2010, they can still retrieve it electronically by calling our office and we will web enable the report for you.

The Dumas Police Department recommends that you allow a minimum of five working days after the accident has occurred before attempting to access the report. Some accidents may require additional time to process.
