CITY MANAGER

City of Dumas moves back to Stage 1 voluntary water restrictions

As a result of decreasing water use in the community and the city's new water wells beginning to come online, the City of Dumas is announcing that stage 2 mandatory water restrictions are being rescinded. Stage 1 voluntary restrictions will remain in place for the time being.

The watering schedule under stage 1 is the same as it was under stage 2, but the restrictions are now voluntary, rather than mandatory. We still appreciate everyone's cooperation in helping to manage our community's water supply.

As a reminder, this is the requested watering schedule:

Before 10 a.m. or after 8 p.m. according to the following—

- Monday: No watering
- Tuesday: No watering
- Wednesday: Odd numbered addresses (ending in 1,3,5,7, or 9)
- Thursday: Even numbered addresses (ending in 0, 2, 4, 6, or 8)
- Friday: No watering
- Saturday: Odd numbered addresses (ending in 1,3,5,7, or 9)
- Sunday: Even numbered addresses (ending in 0, 2, 4, 6, or 8)

Watering with a hand held hose or a watering can may be done at any time.
